

**ELECTION SUMMARY REPORT
 SPRING ELECTION
 April 4, 2023
 Washington County- Unofficial Results - Final**

Important Note: At least one municipality in this county uses a central count facility to process all absentee ballots they have received in time to be counted. This means that election results for the following municipalities, Village of Germantown and the City of West Bend, may be provided to the public in two different phases.

The initial results will be the totals from ballots cast in person at the polling place on election day and will not include totals from absentee ballots.

These results will be followed by the addition of the absentee totals from the central count facility.

The vote totals from absentee ballots will be added to the polling place totals and complete results sets for each ward will then be posted.

Results for each ward in the municipality, or municipalities, that use central count to process absentee ballots should not be considered as complete until all absentee totals have been added to the polling place totals.

Central count municipalities are required to post the number of absentee ballots they have issued and received to be counted on their websites on election night. The number received is the potential number of absentee ballots that will be added to the polling place totals. You can find the number of absentee ballots at the following links:
