Public Notice

Public Information Meeting for Improvements to CTH Q at Hillside Road Intersection Village of Lisbon and Village of Richfield Washington County and Waukesha County

Proposed transportation improvements

The State of Wisconsin and Washington County are planning to reconstruct the intersection of CTH Q and Hillside Road, in the Village of Lisbon and Village of Richfield.

The project will improve the intersection from a 2 way stop condition intersection to a single lane roundabout. This project has been evaluated for improvement due to safety and past crash history. Federal Highway Improvement Safety Program (HISP) funds as well as Washington County will be funding this project to improve safety for the travelling public. Construction is currently scheduled to start near the end of March 2023, weather and other factors depending.

Please attend

All persons interested in the CTH Q and Hillside Rd reconstruction project are encouraged to attend a Public Information Meeting on March 21st, 2023 from 3:30 p.m. to 5:30 p.m. at the Richfield Village Hall (4128 Hubertus Rd, Hubertus, WI 53033). This will be an open house format.

Information available

Representatives from the Washington County Highway Department, Vinton Construction Company (Contractor) and the Wisconsin Department of Transportation will be on hand to discuss the proposed improvements. Project plans, location maps, construction schedule and other exhibits will be on display to illustrate the work in detail.

Your involvement

Please attend the information meeting to review the displays, ask questions and share your thoughts. If you are not able to attend the meeting, please communicate with the project contacts listed below to share your comments. Plans and PIM exhibits are posted to the Washington County Highway Department webpage.

Tuesday, March 21st, from 3:30 p.m. to 5:30 p.m.

Richfield Village Hall
4128 Hubertus Rd
