Oct. 24, 2018 – West Bend, WI – Bids are now being taken for the Barton School Apartment/Townhome project.

The old Barton School on School Place and Fairview Drive will be turned into a 22 unit multi-family adaptive reuse of the former school building and three six unit townhome residential development located at 614 School Place, by Barton School Apartments, LLC.

Bids will be due to the General Contractor, Commonwealth Construction Co. from Fond du lac, by Nov. 16, 2018.

There will be 22 apartments in the old school building (14 on the 1st floor, 8 on the 2nd).

Designs indicate the school gym will remain and be used for recreation and the former school library becomes a Community Room and there is a Fitness Center.

The 18 Townhomes are in three separate buildings, up on the hill that was the playground. There are actually five garage buildings (one for each of the townhome buildings and two others near the old building.)

Project start is January, 2019 and completion by Nov. 1, 2019.
