

Hello,

We want to provide you with an update from Samaritan Campus regarding COVID-19.

As of May 26th,

- Two residents and five staff have tested positive for COVID-19 and one staff has a pending positive PCR test. When a resident tests positive, we notify residents and their representative(s) of their condition and implement protocols for their care and treatment. We also follow guidance from the Centers for Disease Control and Prevention (CDC) and the Center for Medicare and Medicaid Services (CMS), including return to work guidance, for staff who test positive.

- Visitation is still open but is highly discouraged. Anyone in the facility should wear an N95 mask

We know you are concerned about your loved one and we are doing we all we can to keep them safe. We will contact you directly if your loved one is suspected or diagnosed with COVID-19.

Please call our communication hotline at 262-335-4599 for the most up-to-date information or call our direct line at 262-335-4500 if you have any questions.

Thank you,
