

August 30, 2021

Dear Residents and Families,

We received our test results back from last week's outbreak testing and are pleased to announce that all test results came back negative. This means we are 14-days Covid negative within our facility.

Indoor visitation is open to all residents unless you or your loved one is on a 14-day quarantine. If you have any questions or need clarification, please call our reception desk at 262-335-4500.

Visitation hours remain 9am-7pm Monday-Friday and 8am-3pm Saturday and Sunday.

We will continue our twice weekly testing for all unvaccinated staff; this is due to the fact that the county positivity rate is above 10%. If we go back into outbreak mode (one positive staff or resident) we will resume testing for the entire campus; regardless of vaccination status.

Thanks again for your flexibility, patience and understanding during these changing times. Please call our Campus Communication Hotline 262-335-4599 for visitation updates prior to visiting. We will keep this line updated with any changes. We look forward to seeing everyone again!

Taya Walk

Campus Administrator
