

September 7, 2021

Dear Residents and Families,

We received our test results back from last week's outbreak testing and are pleased to announce that all test results came back negative. This means we can resume visitation for all floors within our facility, unless you or your loved one is on a 14-day quarantine.

If you have any questions or need clarification, please call our reception desk at 262-335-4500.

Visitation hours remain 9am-7pm Monday-Friday and 8am-3pm Saturday and Sunday.

We will continue our twice weekly testing for all staff, regardless of vaccination status, until we are out of outbreak status (one positive staff or resident in the last 14 days). The county positivity rate is also above 10% so we will continue the twice a week testing for unvaccinated staff even after we are out of outbreak status.

For the most up to date information please call our Campus Communication Hotline at 262-335-4599. This is the first place we update if we have a change in status regarding our visitation policy or outbreak status.

Thanks again for your flexibility, patience and understanding during these changing times.

Taya Walk

Campus Administrator
