Dear Resident:

General Information on Memorial Park or Trail Benches

Thank you for your interest in sponsoring a park or trail bench in the Washington County Park System. The Washington County Natural Resources Department Memorial Bench Program provides the opportunity for community members to honor loved ones, while also enhancing the beautification of our parks and trails. Your support is greatly appreciated.

The benches available for purchase are now environmentally friendly! 100% recycled plastic, maintenance free, fade resistant, and have a 100+ year life expectancy. All benches have black legs and the available seat colors are Cedar (butterscotch) and Green (forest green).

Benches are available in the form of business advertisements, memorials, and dedications. The message is engraved into the middle slat of the bench back at roughly 2.5" tall capital letters. Sizing can be adjusted based on amount of text. Letters can be black or white. There is an additional \$6 cost per character.

4ft bench - \$485

5ft bench - \$540

6ft bench - \$568

If you are interested in sponsoring a bench, please fill out the attached form and mail or deliver to the address below.

****Please do not mail in a check with your order form. Pricing does not include shipping, engraving set up fee, or installation fee. Total cost will be sent to you once a quote from the manufacturer has been received and prior to the bench being ordered.***

We will contact you if there are any questions or problems with your proposal. If not, you will receive a notification when your bench is installed.

Thank you again for your interest.

Sincerely,

Washington County Natural Resources Department
